Perspective Plan

Perspective plan for development:

The Institute drafts a prospective plan of development every five years. In 2013 a prospective plan was prepared for 2013-2018. This was prepared keeping in mind Higher education development through research work. In the Perspective plan all aspects pertaining to infrastructure, learning resources, new courses, emerging fields of research and innovations, patents, student facilities, extension facilities etc. have been incorporated. The period of 2013 to 2017 has been designed as follows and will be implemented in due course of time.

2013-17

1. E-learning to be strengthened.
2. Faculty Development.
3. Induction of Modules to improve communication skills.

2021-22

1. E content development
2. Strengthening of career counselling and guidance cell.
3. Introduction of ICT based learning classes

عبد

2022-23

1. Providing books for competitive learning and placement.
2. The library will be further strengthened by processing the latest books and subscribing E journals
3. Providing orientation about Disaster management for the students and staff.
4. To focus on student research work and depute them for state or national level research work and depute them for state or national level research competitions.
5. To organise seminars, conferences and workshops on relevant social, cultural and environmental issues and topics.

2022-2023

1. To introduce entrepreneurial skill based courses.
2. To facilitate student exchange and internship.
3. To upgrade software's and reading terminals in the knowledge Resource centre.
4. To strengthen e- learning Mechanism.
5. To implement the facets of NEP 2020.
6. To boost NSS outreach programmes through collaborations with Government Departments, agencies, and reputed NGOs.
7. To introduce certificate courses.
8. To ensure alumni participation in career planning, job prospects, students scholarships, fundraising etc.
